

Membership at the Pain Society of Oregon

Join the Pain Society of Oregon (PSO)! Become part of a network of caring, diverse, and interdisciplinary healthcare professionals across the state of Oregon. Boost referrals, improve pain treatment, build community and *make a difference*! Membership is open to professionals who have an academic degree or clinical license or certification with an interest in pain treatment and an ability to contribute to the society's purpose.

Membership Provides:

Membership benefits your professional development, your colleagues, and people in pain.

- Join a professional pain community – Network with local and regional healthcare professionals and boost your referral base
- Discounts at ALL PSO events
- Digital directory entry on our website for easy referrals and access
- Speaking opportunities at PSO Conferences and Meetings
- Display business cards, announcements, and literature at PSO meetings and events
- Special Membership Nametags at PSO events
- Access to the latest scientific and clinical advances in pain management through multidisciplinary continuing educational programs sponsored by the PSO. Educational programs throughout the year include:
 - 9 monthly meetings in Eugene worth a total of 13.5 CME/CEUs
 - 9 monthly meetings in Portland worth a total of 13.5 CME/CEUs
 - Annual Clinical Meeting in the Spring
 - Local seminars and conferences throughout the year

I _____, agree to have the Pain Society of Oregon deduct membership fees from my credit card account in the amount of _____ date _____.

I understand that membership implies a desire to attend and participate in Society affairs for at least one year. This informal requirement is made to insure continuity and stability of the organization and the ability of the member to make a contribution by their presence. Members are encouraged to participate in the Societies' educational presentations.
